

Map to John Zink Ranch

March 2010 Construction Alerts for West I44/412 loop and I-244 (see red pushpins)! Motels on I-244 require detouring onto US 75 downtown to get to US 412 going to Sand Springs. Updates to map, if any, after 4/13/10 closing date.

[1] Super 8 Tulsa Airport/State Fairgrounds, 6616 E Archer St., Tulsa, OK 74115, (918) 836-1981 (Possible motel off I-244).

[2] From I-244, follow Detour signs onto US 75 (South). From US 75, merge right onto US 64 for a short distance and then merge right again onto I-244/412/51 for exit going to Sand Springs. Continue on US 412.

[3] Budget Inn, (take 81st St. Exit for motel on Charles Page Blvd.), 1110 E Charles Page Blvd., Sand Springs, OK 74063, (918) 245-0283 (Possible motel in Sands Springs). This motel avoids the detours near downtown Tulsa.

Continue west on US 412 past downtown Sand Springs area to 129 W Ave Exit. From exit ramp, make a short left and then an immediate right (sign shows right to Skiatook). Go north on HWY 97T, a bypass that avoids residential streets through the middle of Sand Springs. You will pass the Osage Casino on the left.

[4] Osage Casino on Hwy 97T. (Alert!! Speed limit changes and possible speed trap!)

Continue N on HWY 97 until it ends at the intersection of N 97 and Rock School Rd.

[5] Entrance to John Zink Ranch. Go through intersection at N 97 & Rock School Rd. and continue short distance (past Rock Fire Dept. and private house on left) on Zink Ranch Road to John Zink pavilion, 7798 Zink Ranch Rd. (John Zink Ranch is north of Sand Springs, OK and west of Skiatook, OK.)

(It's approximately 26 miles from the Super 8 Tulsa Airport/St Fairgrounds to John Zink Ranch Pavilion, 7798 Zink Ranch Rd.)
